Mission: Kid Success is a 501(c)3 charity organization whose mission is to help children with Autism, ADHD, and related neurodevelopmental disorders reach their greatest potential. Our goal is to raise a minimum of \$25,000 in the next year to issue grants to financially deserving families in the NJ/NY/CT area so they can access specialized medical and educational resources they otherwise could not afford. Please visit [www.missionkidsuccess.org](http://www.missionkidsuccess.org) for more information.
